Chief Davis

I want to thank you and the department do much for participating in our I Like Me reading project. The police officers are always welcome and an excitement for the kids. I particularly love it when they read the page that talks about the police and firemen being their friends. Your guys and gals really warm to that part.

I want to especially thank Brian Dedrick for his efforts in recruiting your folks to participate. I think we had around 25 officers and staff reading today and Brian was extremely helpful in making that happen.

We thank you so much and look forward to doing it again next year.
