**Subject:** Burns Park golf course

To whom it may concern:

I just wanted to pass along my gratitude for the improvements that have been made to Burns Park golf course. In the past, I would have rather not played than have to play there. Now, I'm driving from Little Rock two weekends in a row to show off to my friends how nice the course has become. The fairways are great and the greens are fun to putt on! I would have not known about all the improvements had we not had our company golf tournament there this past October. Now, I'm excited to have another option for a great course nearby and look forward to playing there again this weekend.

Congratulations to everyone involved on the parks and rec committee on such an amazing turnaround on the course!

Thank you and keep up the great work!!
