Mayor Joe Smith  
City of North Little Rock  
300 Main Street  
North Little Rock, AR 72114

Dear Joe,

I would just like to say how much Linda and I and our neighbors all across Overbrook appreciate the North Little Rock St. department and Patrick Lane for their great work on our walking path on the 5 mile Creek.

Ever since the city took over that walking path it has improved the our quality of life by giving us a wonderful place to exercise and enjoy nature.

I know very seldom people express the good things that are happening at our city so I thought I would write this letter in appreciation to Patrick and his group for the great work they've done for Overbrook by providing us a safe and beautiful environment to enjoy.

The foliage down there grows rather quickly and tends to cover the path in certain areas which makes it difficult to get through at times, but Patrick and his group have done a great job of keeping up with that and we appreciate it.

I know I speak for many more who use this path almost every day.

Have a great day and please give Patrick kudos from all of us.

Respectfully,

Paul and Linda Leopoulos and our neighbors.
