Re: Resignation as Communications Director

Mayor,

It is my honor to serve the Mayor of North Little Rock, and has been every day since I was first given the opportunity nearly ten years ago. The support you provide and the sense of pride I have for our city because of the great things your administration is accomplishing, makes this the best job I have ever had.

There have been incredible days and tough days, but it is no exaggeration to say I learn more about management from you in a month than any school or business courses could ever offer in a year. I am beyond grateful for the knowledge I have gained having spent a decade working with you and your team.

You and Missie both have been great friends and mentors to Stacy and I, and while grateful for the friendship you have shown us to date, our family looks forward to many years of the same.

It has been a busy year for the Hamilton family – with a new family business, my preparation for the Bar Exam, and ever diminishing time with each other. If I am to succeed in these arenas, I must concede that they require more time than I am able to devote while working for the city. Something has to give, and I will not allow my work for the city to be second rate.

With this letter I offer my resignation as Communication Director for the City of North Little Rock. If you accept, I continue to serve at your pleasure for the next month, until Oct. 18th, 2019. Be assured that I will do my best to help you make a transition to another Communications Director. Also, I remain dedicated to North Little Rock and your goals, so if you have need of my abilities, please feel free to call upon me even after my departure date.

North Little Rock is my hometown, and though new business opportunities, family, and educational pursuits call me away at this time, I am confident future avenues will arise to serve the residents of this great city.

With tremendous gratitude,

Nathan Hamilton
