<p>1. Provide more transportation choices. Develop safe, reliable, and economical transportation choices to decrease household transportation costs, reduce our nation's dependence on foreign oil, improve air quality, reduce greenhouse gas emissions, and promote public health.</p>	<p>Efficient Mobility Options Pedestrian Design</p>	<p>Goal area 1: Provide transportation choices and enhance mobility</p>
<p>2. Promote equitable, affordable housing. Expand location- and energy-efficient housing choices for people of all ages, incomes, races, and ethnicities to increase mobility and lower the combined cost of housing and transportation.</p>	<p>Housing Choice Development Diversity</p>	<p>Goal area 2: Increase housing and development/land use diversity</p>
<p>3. Enhance economic competitiveness. Improve economic competitiveness through reliable and timely access to employment centers, educational opportunities, services and other basic needs by workers, as well as expanded business access to markets.</p>	<p>Educational Opportunity Economic Development</p>	<p>Goal area 3: Enhance economic competitiveness</p>
<p>4. Support existing communities. Target federal funding toward existing communities—through strategies like transit oriented, mixed-use development, and land recycling—to increase community revitalization and the efficiency of public works investments and safeguard rural landscapes.</p>	<p>Efficient Growth Activity Centers</p>	<p>Goal area 4: Support existing communities</p>
<p>5. Value communities and neighborhoods. Enhance the unique characteristics of all communities by investing in healthy, safe, and walkable neighborhoods—rural, urban, or suburban.</p>	<p>Quality Places; Healthy Communities</p>	<p>Goal area 6: Quality places and healthy communities</p>
<p>6. Coordinate and leverage federal policies and investment.</p>	<p>Environmental Stewardship Resource Efficiency</p>	<p>Goal area 5: Support environmentally-responsible development</p>
<p>Environmental issues are embedded in Livability Principles 1, 2, 4, & 6.</p>
