\$8.65

\$ 5,000

\$ 10,000

\$ 15,000

\$20,000

\$ 1.56

\$ 2.38

\$ 3.19

\$ 4.00

#### Does your major medical insurance cover all of vour bills?

Even a minor trip to the hospital can present you with unexpected expenses and medical bills. And though you may have major medical insurance, your plan may only pay a portion of what your entire stay entails. The plan provides financial assistance to enhance your current coverage with benefits such as:

- ► Hospital confinement
- Hospital admission
- Hospital ICU
- ER and physician visits
- Surgical & anesthesia benefits
- Well-baby care
- Prescription drug benefit

## GROUP CRITICAL ILLNESS

### A guaranteed-issue plan that help ease the financial stress of surviving a critical illness.

Group Critical Illness insurancepays benefits upon initial diagnosis of a covered critical illness as well as benefits for additional occurrence and re-occurrence. Employee benefit amounts are available from \$5,000 to \$20,000. Employee and spouse coverage is available, plus dependent children are covered at 50% at the employee's amount—at no additional cost. Covered critical illness events include:

► Heart Attack

Stroke

- Major Organ Transplant
  - ▶ Bone Marrow Transplant
- Kidney Failure Sudden Cardiac Arrest
- Coronary Artery **Bypass Surgery**
- \$50 health screening

# GROUP CI + CANCER

The Group Critical Illness with Cancer plan pays a lump sum benefit for a cancer diagnosis in addition to the covered critical illness listed above.
